

**Cellar *list***

An Introduction to our list...

A 'capsule-free' selection of bottles big & small.

All references are produced with organic grapes at the bare minimum.

The list offers a deep exploration into the winemakers of Europe we respect, and some gems from the cellar of Timberyard.

Those highlighted in **orange** have seen extended maceration on the skins.

Those highlighted in **pink** are rose expressions of sparkling wine.

## ENGLAND

### Somerset

2024 Limeburn Hill, Beltain. *Orion* £58
